## District 3 Hosts 2019 State Tournament April 12-13 Cookeville High School

**D**istrict 3 is proud to host the 2019 State Tournament. Competition will take place at Cookeville High School and Life Church.

District Director Sarah Kieffner, District Rep. Matt Grimes, District 3 schools, and our hosts Dr. Kathy Ligon, Shane Cunningham and Merry Flatt are working to make the tournament a great success. Please make plans now to attend this important tournament. Make your hotel reservations soon by March 15 -- if possible.

**Please note:** we have significant changes for Interp Theatre: 1) read the revised rules and ballots in the Manual for Interp Theatre ([www.thssdl.com](http://www.thssdl.com)), and 2) Districts can advance the top 3 teams in Interp Theatre to the State Championship.

Also, we will continue to offer POI and Informative Speaking as experimental events.

In the newsletter, you will find important tournament information. Please take notice of competition times, tournament fees, required documentation and due dates.

### PLEASE NOTE:

For the 2019 State Championship tournament, we will use SpeechEase ([www.speechease.com](http://www.speechease.com)) to enter contestants. We will not be using the traditional "Intent to Compete" form. As soon as your students qualify for the state championship, you will need to login into SpeechEase and enter the contestants. Entries are due by **March 29, 2019**, unless your District tournament is after that date. If that is the case, entries are due by **April 8, 2019**.

THSSDL Kathleen Thayer Beach Scholarship applications are due March 1, 2019. The application form is on the [thssdl.com](http://thssdl.com) website. Please encourage your seniors to apply. THSSDL awards 3 scholarships. The scholarships have been increased to \$600.

Competition will take place on Saturday as an Individual Event. Designs must be original works by the student. The selected plays for Technical Theatre for 2019 are: *Steel Magnolias*, *Disney's-The Little Mermaid*, and *She Stoops to Conquer*.

## Debate at State

Debate at the State Tournament will be Public Forum Debate and LD.

In order for a debate division to take place, competition must include at least ten teams representing a minimum of three schools. If you are interested in LD, please contact Mike Gotcher ([mgotcher@ntech.edu](mailto:mgotcher@ntech.edu)) to determine status of the event.

For Public Forum Debate, the topic will be the April topic and will be determined in early March, found on the NSDA website (<http://www.speechanddebate.org>).

Five preliminary rounds will be held on Friday with eliminations on Saturday.

### Judging Requirements

Schools must bring enough qualified judges for LD and Public Forum Debate in order to compete.

For Public Forum Debate, schools **must** bring judges willing and available to judge on Friday **and** Saturday for Public Forum Debate. Public Forum Debate judges are **desperately** needed.

Schools must bring one judge for every two teams. Debate judges should be separated from IE judges and Student Congress. Be sure to enter debaters *and* list judges in SpeechEase.com.

## T-Shirt Contest and Orders

Showcase your high school! Bring a T-shirt or sweatshirt that represents your forensics team or drama program. Shirts will be displayed during the tournament.

**T-Shirt Order:** T-shirts will be available at the State Tournament. Your team may pre-order by emailing Sarah Kieffner ([skieffner@gmail.com](mailto:skieffner@gmail.com)) and she will set your requested shirts aside (first come, first served). Monday, 4/8/19, is the cut-off date for pre-orders; after this date teams must purchase available shirts at the tournament. T-shirts are \$13 each with a \$2 surcharge for XXL. Checks (separate from the registration fees) should be made out to THSSDL and brought to the State tournament.

## Important Guidelines for Interp Theatre and One-Act (Reiteration of Rules from the THSSDL Manual)

All technical and performance components of the productions must be conducted and operated by students. Schools must bring their own audio equipment because the lack of uniformity of equipment makes it impractical for the host site to provide the equipment competing schools may need. Please read **ALL** the rules for Interp Theatre and One-Act play.

In preparation for **Interp Theatre** competition, please read the rules found in the Manual on pages 42-45. Competing schools will be required to bring the original source material used for the presentations, highlighting the material used in the presentation. Additionally, competing schools must identify original transitional material used in the presentation. This is required for both District and State competition. In the case of a question concerning the material/presentation, the material must be presented within **15 minutes** to the Tournament Director (District Director or Executive Director).

In preparation for **One-Act Play**, please read the rules found in the Manual on pages 42-45. Competing schools must provide original material and permission to perform the play. During the production, a student may be in the tech booth to run any sound cues, but s/he is the only individual (no coach/parent) allowed in the tech booth during the performance. Due to the uncertainty of the equipment at the hosting school, competing schools must bring any special equipment needed for the production. Lights will be up and down (no special area lighting for scenes or scene changes). A copy of performance rights (**rights must be paid**) must be sent to the District Director before the District Tournament. A copy must be sent to the Executive Director before the State Tournament. (Tournament Manual B:1:a).

## THSSDL Scholarship Information

To promote and reward involvement in high school speech and theater activities, THSSDL awards three (3) \$600 Kathleen Thayer Beach Memorial Scholarships each year to deserving seniors. The recipients are not required to major or minor in speech or theatre to qualify for the scholarship.

The school of the applicant must be a member of the Tennessee High School Speech and Drama League (THSSDL). All paperwork must be postmarked before **March 1, 2019** and mailed or emailed to the Executive Director ([mgotcher@tntech.edu](mailto:mgotcher@tntech.edu)).

All recipients must attend the THSSDL State Tournament. Please encourage your students to apply as soon as possible. A list of eligibility requirements the application are available on the THSSDL website ([thssdl.com](http://thssdl.com)).

## Documentation Issues

Due to the increased number of challenges concerning authenticity of materials, contestants in **ALL** Interpretative and Acting events must bring the original source(s) of their presentation to the tournament (this includes Interp. Theatre and One-Act play).

Students and coaches should be prepared to present the documentation at District or State tournaments if requested by tournament officials.

Failure to present the requested materials within **15 minutes** could result in immediate disqualification. All material presented in acting and interpretive events must be published and of recognized literary merit and not the original work of the student.

Also, remember that students are not allowed to use the same cutting in different events at competitions. This decision by the Board of Directors means that a student cannot use a cutting in Dramatic one year and use the same cutting in Duo the next year (or subsequent years).

# Call for Krider and Hall of Fame Nominations

District Directors, make plans to place names in nomination for the **Krider Award** and for the **Hall of Fame** at the Board of Directors meeting during the State Tournament.

Nominations can be made by any THSSDL member; however, nominations must be made at the District tournaments. Nomination forms can be found online at [www.thssdl.org](http://www.thssdl.org).

The Hall of Fame was created in an effort to reward outstanding teachers of the dramatic and forensic arts. Selection of Hall of Fame members are based on these elements: ten or more years of service in the state of Tennessee, integrity, outstanding service above and beyond the call of duty, willingness to help colleagues, commitment to speech and dramatic arts education and dedication to the individual student and his/ her future.

The **Krider Award** honors educators who promote excellence in the study, preparation and/or performance of speech and dramatic arts not exclusive to competitive activities. Some of the qualifications for the award include strong commitment to speech and dramatic arts education, ability to inspire creativity and willingness to help colleagues and THSSDL members.
